INDEPENDENT BROKERS AND PROUD OF IT!

Refreshingly different!

As our name suggests...we are Professional Indemnity Insurance (PII) specialists. We are contemporary PII experts who offer the convenience of buying insurance online or offline, without ever removing the expertise of real people. We deliver a rapid solution to your insurance requirements in the way that's most convenient to you.

Individual insurance for individual businesses

Low Commissions and Fees

Some brokers take commissions of up to 33% of the annual PII premium. We believe that in many cases this is not justified and adds to the burden of your premium. Because we are Professional Indemnity Insurance specialists, our service is efficient and our commissions and fees are among the lowest in the broker market. This can significantly reduce the premiums firms pay.

Independent Brokers and Proud of it

Professional Indemnity Ltd is an independent broker representing your best interests in dealing with insurers, from rigorously negotiating your premium to handling your claims. Unlike many brokers, we are not tied to any one insurer - we scrutinise the market for our clients and place business with many leading PI insurers.

No Pushy Telesales People!

With Professional Indemnity Ltd you are never hounded by pushy telesales people! We only employ insurance experts who professionally guide you through the process of buying the right insurance at the right premium.

Our Knowledge and Expertise

With over 25 years experience in the PII market, we understand your requirements and deliver a high quality of service during the renewal process and throughout the entire insurance period.

Here's what our clients tell us...

"There was a lot of value in the way we were looked after by Mark. He kept in touch with us constantly throughout the process. I'd be happy to recommend Professional Indemnity Ltd to others."

David Lloyd - Ducketts

"Professional Indemnity Ltd provided a good, timely service and were very responsive to questions. They were significantly less than our current insurers and I got 5 quotes this year. I will not have to complete the full proposal form next year, merely an update, which is good news. I thoroughly recommend them."

Harry Dick-Cleland - Cleland & Co Limited

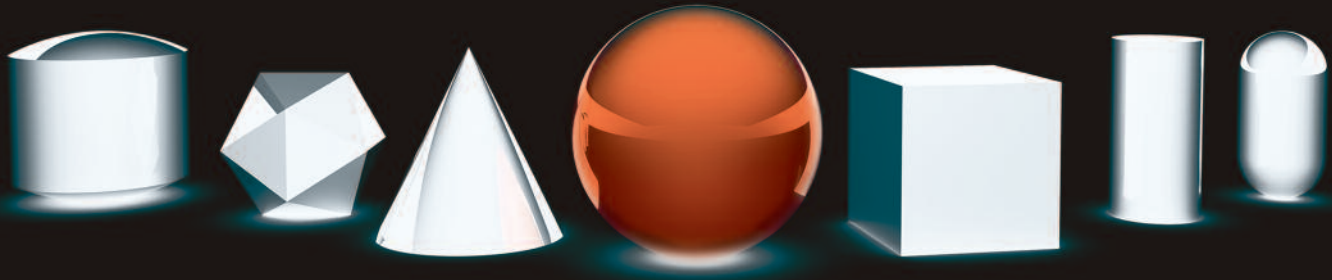

"The E@syQuote internet service was great and pretty much hassle-free!"

Alan Roberts - AR Accountants

"We were very pleased at the way in which our enquiry was handled by PI Ltd. They understood our requirements and quickly came up with a good way of saving us a substantial amount of money, without changing our insurer."

Martin Chance - Glover Stanbury & Co

So, if you simply want to buy your policy quickly and get on with life... we do that. And if you want to talk to someone... we do that too!

What else will we do for you?

As a busy professional in today's litigious world, we understand the risks you face and can help you minimise these with a range of risk management tools. We can also provide a valuable Risk Management presentation service which is FREE for our larger clients. A member of our team will come along and talk to partners, directors and senior staff about the most common claims against professional firms and how to help you avoid them.

Buy Online

E@syQuote is our online platform, designed primarily for smaller professionals to obtain low cost insurance without completing a lengthy application form. Our Top Broker Tips!

➤ GET AN ALTERNATIVE QUOTE...

Competition between insurers and brokers is the single biggest factor in driving down premiums.

➤ ENSURE YOUR PROPOSAL FORM GIVES THE RIGHT IMPRESSION...

Calculating a PII premium is not always an exact science. An Underwriter will form a view on the quality of a business not just from the information on the form, but also from the way in which the form has been completed. Take care completing the form as it is representative of your business.

➤ EXPLAIN ANY CLAIMS...

Keep your own record of any claims. Your current insurer may already have full details but that won't be enough for another insurer being asked to quote. Give some background about any claims and, if possible, some assurance on actions taken to avoid a recurrence.

➤ BEGIN YOUR RENEWAL EARLY...

Ask your broker for their view of the current PII market and their plan for handling your renewal.

➤ DRIVE YOUR BROKER...

Instruct your broker to have your renewal terms and alternative quotations available at least one month before your renewal date.

➤ BUY ONLINE WITH E@syQuote...

Many professions can now buy online. The distribution of PII via the internet is a major cost advantage to many insurers which can mean lower premiums for you. It only takes a few minutes to quote and you'll find E@syQuote at our website www.professionalindemnity.co.uk
